Durable for Business. Beautiful for Guests.

ARR11 Toasted Ivory

Warm & Welcoming

Rest & Refuge was engineered to offer sound blocking benefits. Its ultra-dense core with an attached pad – for single product acoustic performance – helps to block airborne and structure-borne sound. The structure also reduces subfloor prep, hides minor subfloor imperfections, and does not need to be acclimated in most spaces for ease of installation.

ARR03 Basalt

Design Without Limits

Inspire and invigorate with four new Luxury Flooring collections. Each collection is curated with purposeful pattern and color for impactful, cohesive design and features a 2.5 mm structure with patented Diamond 10® Technology. The combination of Diamond 10 Technology and the unique LVT structure results in superior performance and durability compared to competitive products.

Biome: ST252 Montane, Kilimanjaro

Terra: ST558 Palazzo Nicciola

Terrà, ST557 Palazzo, Rosa

Coalesce: ST796 Nona, Tweed | ST855 Decima, Silverdust | ST834 Geome, Slate

Coalesce: ST856 Decima, Cashmere | ST832 Geome, Dolomite

Exchange: ST900 Static, White Noise | ST901 Static, Amped Yellow | ST910 Static, Cathode Gray | ST961 Static, Stereo Brown | ST974 System Gradient, Solaris

Exchange: ST975 System Gradient, Stardust | ST970 System Gradient, Dark Matter, ST910 Static, Cathode Gray

J5235 | J5135 Flint Ridge, Storm Sky, J5263 | J5163 Havana, Henna

The Right Combination of Performance, Design and Price

Manufactured in the USA, Parallel USA Luxury Flooring offers a balance of performance, design and price. All designs are available in two structures and feature Urethane Plus coating for enhanced resistance to scratches, stains, and scuffs compared to standard urethane coatings.

J5252 | J5152 Jace, Ebony Gray, J5251 | J5151 Jace, Pier Beige

A6950 Bonanza Springs, Paint Brush

The Foundation for Dramatic Spaces

Rigid Core Vantage offers large format planks in realistic designs. It's rigid core structure provides dent resistance and the attached cork backing helps span minor subfloor imperfections that may telegraph through thinner flexible LVT.

A6913 Camargo Oak, Nickel Mine

A6109 Downtown, Urban Neutral

Peaceful Quiet

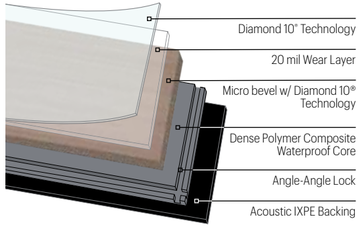
Provide an enhanced peaceful quiet for your guests with Rigid Core Essentials. Inspired by natural wood tones, Essentials offers the aesthetic you want with the function of an ultra-dense rigid core that dampens airborne sound. Install in a snap without the need for adhesive or underlayment and enjoy low-maintenance benefits with a wear layer that resists scratches, scuffs, and stains.

A6107 Trailhead Oak, Sedona Dust

Rest & Refuge™

Product Information

Construction - Rigid Core
International Specifications - ASTM F3261, Class I, Type B, Grade 1, Backing Class B
Overall Thickness - 6.5 mm / 0.25 in.
Wear Layer Thickness - 20 mil / 0.5 mm
Size - 8.85 in. x 60 in. (225 mm x 1524 mm)
Factory Finish - Diamond 10® Technology
Installation - Floating
Maintenance Options - No Polish – No Buff, Spray Buff, Polish



Visit ArmstrongFlooring.com
for complete Product, Technical, Adhesives, Installation and Maintenance recommendations.

Diamond 10 Technology™

Biome™

Product Information

Construction - Solid Vinyl Tile (a.k.a. Luxury Vinyl Tile - LVT)
International Specifications - ASTM F1700, Class III, Type B embossed surface
Overall Thickness - 2.5 mm / 0.100 in.
Wear Layer Thickness - 0.020 in. / 0.5 mm
Size - 6 in. x 48 in. (152 mm x 1219 mm)
9 in. x 48 in. (228 mm x 1219 mm)
Factory Finish - Diamond 10® Technology
Installation - Adhesives: S-315 Roll Strong™, S-980, S-1000, S-240 Epoxy
Maintenance Options - No Polish – No Buff, Polish Optional

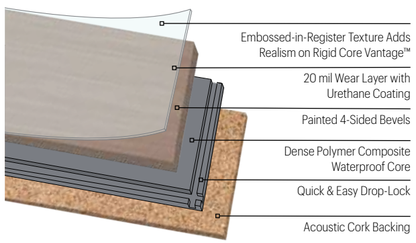
Rigid Core Vantage™

Product Information

Construction - Rigid Core
International Specifications - ASTM F3261, Class I, Type B, Grade 1, Backing Class B
Overall Thickness - 6 mm / 0.236 in.
Wear Layer Thickness - 20 mil / 0.5 mm
Size - 7 in. x 60 in. (177.8 mm x 1,524 mm)
9 in. x 60 in. (225 mm x 1,524 mm)
Factory Finish - Urethane
Installation - Drop-lock or S-288 full spread
Maintenance Options - No Polish – No Buff

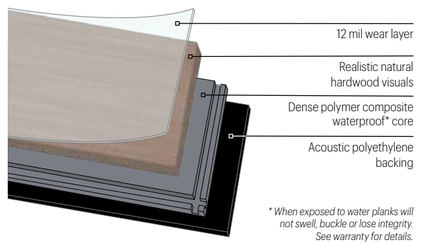


Visit ArmstrongFlooring.com
for complete Product, Technical, Adhesives, Installation and Maintenance recommendations.

Rigid Core Essentials™

Product Information

Construction - Rigid Core
International Specifications - ASTM F3261, Class I, Type B, Grade 2, Backing Class B
Overall Thickness - 5 mm / 0.2 in.
Wear Layer Thickness - 12 mil / 0.3 mm
Size - 6 in. x 48 in. (144 mm x 1213 mm)
Factory Finish - UV-cured Polurethane
Installation - Floating or Full Spread Adhesive: S-995
Maintenance Options - No Polish – No Buff, Polish



** When exposed to water planks will not swell, buckle or lose integrity. See warranty for details.*
